## Introducing the One App Every Tiger Should Have

Put the power of the Mizzou network in your hands. Download and register for the app by October 31, 2017 and we will ship you a MU-themed reward!

Read MIZZOU magazine on the go, check out volunteer opportunities, donate to your favorite MU cause, join the MAA or find a Mizzou event to attend near you. Alumni Association members can also utilize a mobile membership card, access benefits and discounts on the go, or renew a membership.

Coming to [Homecoming](#)? Stop by Homecoming Headquarters on Traditions Plaza Friday Oct. 20th, show us you have the app (or download it there) and get a free copy of the *Mizzou Fan's Survival Guide to the SEC* (while supply lasts).
