

TAKE THE CVMA WITH YOU

Introducing the CVMA Member App

Enjoy essential veterinary information and connection all in the palm of your hand. By **downloading the app**, you will have access to many features and services.

With the app, members can access:

- Instant updates on important news and issues affecting the veterinary profession
- Push notifications for urgent news updates and calls to action
- A full list of CVMA continuing education offerings
- The CVMA's social media feed
- The mobile-friendly version of *California Veterinarian* magazine
- Status updates of the CVMA's advocacy efforts
- A handy membership directory
- Member update capabilities
- Regulatory compliance resources utilizing the CVMA InLine program
- Specialized personal and business insurance solutions
- And more

Non-members will have access to:

- A full list of CVMA continuing education offerings
- The CVMA's social media feed
- A membership application to join the CVMA
- A quick method to contact the CVMA

**Download now
at the Apple
and Google
Play stores.**
