

Logging Into The Hastings College App

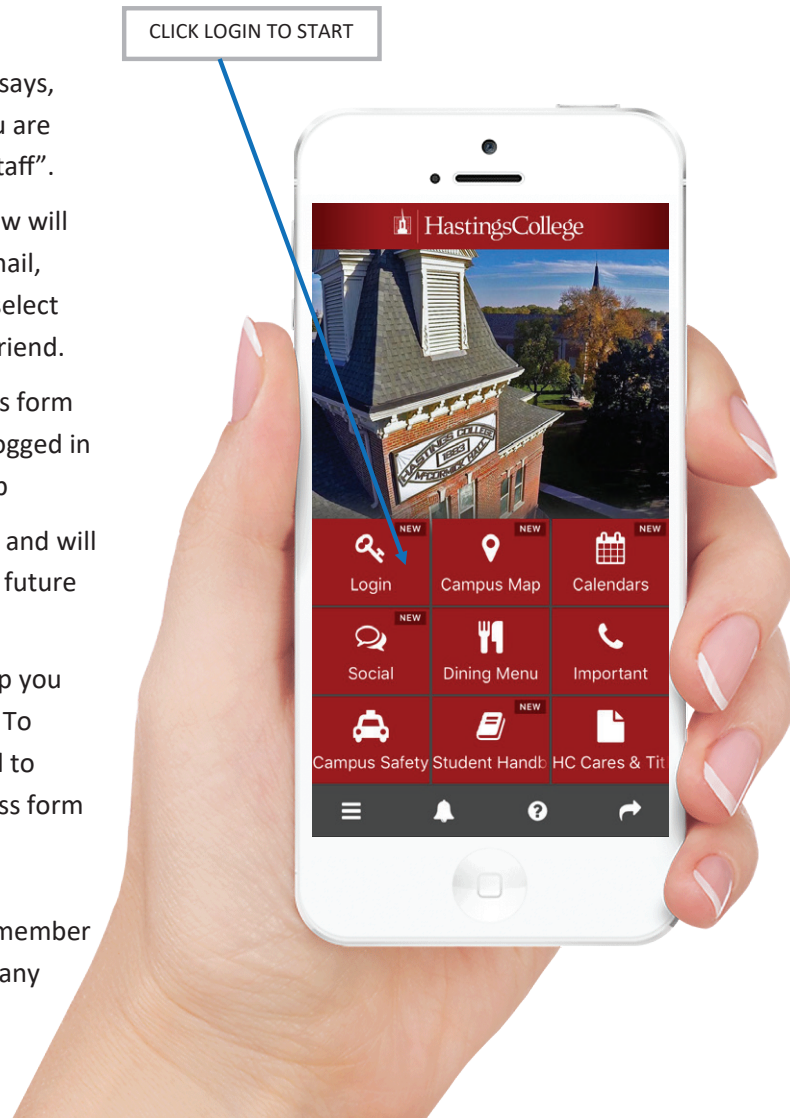

Now there's an app for that! Download the Hastings College App and login to access event schedules, a campus map, the Student Life Calendar, HC social media, the student handbook, information about Registered Student Organization and much more. If you are a student you will also receive digital access to your student ID, campus laundry, the dining menu, and other important information. Student can log in with their Hastings College email and a password specific to this app.

Parents, alumni, and friends can request access and use the app by following these steps listed below.

1. Click On The Login Tile
2. Click the red lettering that says, "Click here for access if you are NOT a student or faculty/staff".
3. After clicking, a new window will open. Enter your name, email, personal information and select either Parent, Alumni, or Friend.
4. After completing the access form you will automatically be logged in to the Hastings College App
5. You will not be sent emails and will not receive a password for future login.
6. Once you log out of the app you will no longer have access. To regain access you will need to complete the request access form again.
