

ENGAGE 365™

Build thriving communities with a branded mobile app built for year-round engagement.

It's Time to Up Your Engagement Strategy

Improve Communications & Build Stronger Connections

Improve Engagement, Retention, and Participation

Organizations typically see a 5x increase in member engagement with a native mobile app over email & websites.

Take Advantage of the Devices People Rely On Most

Savvy organizations recognize that mobile apps are the single most effective way to inform and engage members.

Gather Better Data For Better Decisions

Discussions, surveys, and analytics provide insight into member participation and the data you need to plan for the future.

ENGAGE 365™

Branded Apps for Associations

With custom branding and rich features, our mobile app provides everything you need to engage your members year-round in a single, easy-to-use mobile app.

Membership Management

Sync with your AMS for notifications, renewal payments, membership data and more.

Conferences & Events

Manage your meetings, events, and conferences without needing a separate app.

Directories & Member Cards

Provide a digital directory that lets members quickly search for and find fellow members on the go.

Groups & Committees

Provide your committees and subgroups with a place to organize and engage.

Discussions

Allow members to engage with one another on the topics that matter most to them.

Sponsorships

Generate additional revenue by highlighting & promoting sponsors within the app.

Mobile Payments

Collect dues, club fees, or other fees through the app or link to existing payment forms on your website.

Calendars

Provide members with an easily accessible list of important dates and upcoming events.

Benefits

Provide member benefits like discounts, access to certain content, etc.

Notifications

Send out timely communications and information to all or any subgroup of members.

Surveys & Polling

Build your own surveys and polls and get instant reactions from your members.

Association Resources

Centralize important content and provide a single point of valuable member information

Let us help you build a mobile-first strategy for member engagement.
