## It's Time to Strengthen Your Member Engagement Strategy Improve Communication & Build Stronger Connections

With a Chamber of Commerce mobile app, you can:

Encourage member networking with a comprehensive directories (member, sponsors, businesses, etc.).

Promote businesses, attractions and events to your members.

Send attention-grabbing notifications directly to members' mobile devices.

Offer valuable deals and discounts from sponsors and member organizations.

Share discussions, videos and other content through an aggregated feed system, providing members with up-to-date information and engagement opportunities.

And much more!

# ENGAGE 365™

## Branded App for Chambers

With custom branding and rich features, our mobile app provides everything you need to engage your members year-round in a single, easy-to-use mobile app.

### Membership Management

Sync with your AMS for notifications, renewal payments, membership data and more.

### Community & Member Events

Manage your meetings, events, and conferences without needing a separate app.

### Business Directories & Member Cards

Provide a digital directory that lets members quickly search for and find fellow members on-the-go. Filter by business category or location.

### Groups & Committees

Provide your committees and subgroups with a place to organize and engage.

### Discussions

Allow members to engage with one another on the topics that matter most to them.

### Sponsorships

Generate additional revenue by highlighting & promoting sponsors within the app.

### Join or Renew from the App

Collect dues, club fees, or other fees through the app or link to existing payment forms on your website.

### Calendars

Provide members with an easily accessible list of important dates and upcoming events.

### Member Deals

Provide member benefits like discounts, access to certain content, etc.

### Notifications

Send out timely communications and information to all or any subgroup of members.

### Survey & Form Tool

Build your own referral forms and surveys to collect instant feedback from your members.

### Chamber Resources

Centralize important content and provide a single point of valuable member information.

Let us help you build a mobile-first strategy for your member engagement.
